NYC'S FIRST AND ONLY JAPANESE DUAL LANGUAGE PROGRAM

Japanese Dual Language Program (JDLP) at PS147 began in 2015, and has now grown to include over 130 students from PreK to 4th grade, learning everyday in both English and Japanese. Using curriculum crafted by the Japanese language teachers, students learn not only Hiragana, Katakana, and Kanji, but also Japanese culture through seasonal themes.

JDLP at ps147 Utilizes the side-by-side method of mixing half of the class with native Japanese speakers and the other with no Japanese background. If your child is a Japanese native speaker there is high likelihood to being accepted into jdlp even if you live outside district 14.

PLEASE Visit on our school tour to learn more.
